 - Discussion about the day's project and writing
 - chat session
 - Zoom meetings will last about 30-40min
- Your child's daily art projects and writing, as well as math and literacy activities, will be given to you to complete at home. We may occasionally ask to see some of the writing, to ensure they are developing their handwriting appropriately.
 - The art projects will come prepped with directions for an adult to assist, but not do for them!
