SUMMER CAMP 2022

Open to all children who are potty trained and registered for a 3-year-old program, up through those who have completed kindergarten (2.5-6 years old).

2.5-3 yr olds attend three days per week for \$95 per week - Please contact us for more information prior to registering.

3.5-6 yr olds attend 5 days per week for \$120 per week, with a 10% discount on 3 or more weeks.

Programs (camp for all is from 9am-12pm)	
Week 1 - July 11-15	Life with Pets: Do your kids love animals? We have the camp for them! This week we will have a Pet Store and Vet and Groomer set up for them to pretend to their hearts' content. We also plan on having local groomer and vet come in and show them their pet and what they do. Some of our projects will include making dog treats and cat toys, we can donate to the local shelter.
Week 2 - July 18-22	Cooking and Baking: Any little chefs out there? Kids love to help in the kitchen! It's a great way to sneak in nutrition, science and math! Let us take care of the mess and we can get them to try new things 😊 We will take all dietary restrictions and allergies into consideration.
Week 3 - July 25-29	Superheroes: Children love to pretend to have an alter ego, like Batman or Hulk! This week we will each create our own!
Week 4 - August 1-5	Fairy Tales with a Twist: STEM is the new magic! We will combine the new with the old, capturing everyone's interest with entertaining stories brought to life with STEM activities.
Week 5 - August 8-12	Music and dance: A week of making our own music and dancing to our own beat! We will learn about instruments and sound while banging away on a variety of percussion instruments, a keyboard and a ukulele!
Week 6- August 15-19	Pirates and Princesses: Ahoy Matey! Join us to search the high seas for the buried treasure!

Optional Small Group Literacy and Math work

For a small fee of \$25/week, we are offering an optional math and reading tutoring group for 4-6 year olds! If your child has struggled with remote learning, lost some skills during the Covid 19 shutdown last spring or you feel they may regress over the summer, this little bit of small group work will be perfect for them. It will be built into the camp schedule, and very much theme and play based... FUN!
